

18th EC Alive
Group Civil Society and African
Organisation

1 - Assessment of caucus on Progress on Implementation of TAP

The TAP is adequate

Make sure that the finance is available during the process of TAP activities planning

Take into account of the importance of the activities and the added value

- Assessment of caucus on progress on secretariat activities

The Secretariat is doing well its duties

More active and proactive of the members in the platform animation

Conclusions from assessment and way forward (way forward):

a/ How to enhance communication on the platform and advocacy?

All the members have to be leadership of the platform to do the advocacy and not only of Bulletin d'informations sur les activités de la Platform

Forum discussion of the members on line

Conclusions from assessment and way forward (way forward):

b/ Need to put more emphasis should be on the development of decision making tools?

Analysis tool

Decision making tool

Legislation tool kit

Strengthen actors capacity (national and regional levels) on the tool kit using

Involvement of REC to implement the decision maker tool kit (through the statutory meeting) –
sensitize the national authorities

Conclusions from assessment and way forward (way forward):

c/ Should we abandon function 4 “improving access to global knowledge”?

We have to identify the type of information and data that are not covered by the first 3 functions and can be considered as the 4th function issues

Conclusions from assessment and way forward (way forward):

d/ How to improve “inter EC” activity of the platform (networking and communication, specific meetings, etc...)?

Maintain the communication among members
Initiate ad’hoc meetings on accurate issues
(emerging)

Conclusions from assessment and way forward (way forward):

e/ Modalities to transfer responsibilities from
EC to caucuses

How the caucuses will organize to be a leader of
activities of the caucuses during a certain period
(between 2 ECs)

Conclusions from assessment and way forward (way forward):

f/ How to broaden the membership in the
Caucuses?

Based on the criteria of real contribution of
the members (proactive and representative)

g/ How to strengthen relationship with
CAADP?

Alive governance organs should participate to
CAADP governance organ and vice versa

Conclusions from assessment and way forward (way forward):

h/ Need to develop a M&E framework to monitor impact of the platform?

Yes

i/ How to improve communication of outputs towards decision makers at national and regional level?

Communication strategy plan : awareness (knowledge), change thinking about institution; increase practices

Conclusions from assessment and way forward (way forward):

k/ How to strengthen visibility of the platform?

Newsletters / bulletin

Through caucuses meetings and activities

Secretariat

High level fora

Press conference, release

Poster, banners, prospectus

Conclusions from assessment and way forward (way forward):

I/ How to increase involvement of RECs and countries in Alive activities?

Encourage REC to propose activities in liaison with alive

To strengthen REC capacity to use Tool kit to sensitize national Authorities

How to refocus the TAP on core activities?

**Recommendation for improving the TAP
elaboration mechanism: rolling TAP, call
for proposal**

Mid term strategic plan

TAP

**Priority themes and priority activities for
next TAP**
