

GUIDELINES FOR CAUCUSES' DISCUSSIONS

- **Assessment of caucus on Progress on Implementation of TAP**
- **Assessment of caucus on progress on secretariat activities**
- **Conclusions from assessment and way forward (way forward):**
 - How to enhance communication on the platform and advocacy?
 - Need to put more emphasis should be on the development of decision making tools?
 - Should we abandon function 4 “improving access to global knowledge”?
 - How to improve “inter EC” activity of the platform (networking and communication, specific meetings, etc...)?
 - Modalities to transfer responsibilities from EC to caucuses
 - How to broaden the membership in the Caucuses?
 - How to strengthen relationship with CAADP?
 - Need to develop a M&E framework to monitor impact of the platform?
 - How to improve communication of outputs towards decision makers at national and regional level?
 - How to strengthen visibility of the platform?
 - How to increase involvement of RECs and countries in Alive activities?
 - How to refocus the TAP on core activities?
- **Recommendation for improving the TAP elaboration mechanism: rolling TAP, call for proposal**
- **Priority themes and priority activities for next TAP**
